Here's a game to share with a friend.

Color all the cards, then number the Danny cards on the back 1 through 10. Do the same for the Lemon cards. With the picture side up, take turns choosing 1 Danny and 1 Lemon card and try to match the numbers on the back. If they do not match, turn the cards back over and the next player gets a turn.

The game is over when all cards have been matched and the player with the most pairs wins.
